JEY LEY

*"Like firefly, a slow rhythmic relume to yet another and another opening."  
—Theresa Hak Kyung Cha, Dictee*

O pening  
you are you again  
me, me again  
reopening  
you and me, reluming  
re you me

re bloom ing  
re bloom ing  
re bloom ing

i FLASH, so you flash  
you FLASH, so i flash  
we flash, we un dress  
you are opening up  
O pening  
re blooming for us  
our relumes at night

you are you again  
me, me again
